Eno River Association Annual Meeting – October 24, 2026

- The contribution of $267,000 for Black Meadow Ridge, a disproportional outlier transaction, has been omitted from the income graph to maintain a readable scale for other income sources.

- 2025 Program fees and Merchandise sales income, and Programs expense, include the Festival

- Investment income was purposefully conservative in the 2026 budget due to potential volatility in the markets, but our returns have been very strong this year
